SUBJECT: Paul S. Koefoot

Dear Jerry:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Sincerely,

Paul Ernst, Director

Wanda Kendra,
Scout Executive,
Frontier Illinois Council - BSA.
2745 Linden Valley Rd.
Highland Park, Ill. 60030

Dear Mr. Kendall,

I am hereby registering a formal
complaint against Paul Kallbot, acting
master of Troop 24 during his
Camp Mankin-Jensen experience in July of
1982.

As I have confided to my husband
and me that he carried out
improper acts, during that camp
experience, with our then eleven year
old son.

My husband and I feel very
strongly that the council should take
the necessary action to ensure that
Paul will never again be able to
take advantage of a young boy in
the scouting setting. We have heard
that Paul intends to attend camp
this summer with two other troops. We

must be prevented from this
type of association with boys.

We now leave this matter in
your hands and trust that you
will deal with it completely and
effectively.

During a meeting with scouting
officials and in my telephone
conversations with the same, I
have been assured that my
son's identity will remain confidential.
I trust that this confidence will
not be breached.

Sincerely

Dear Paul:

Thank you for your letter of July 20.

With reference to the action of Paul Scott Koefoot as reported, he served in a leadership role with a Scout Troop from Evanston, Illinois, at our summer camp during the summer of 1982. At that time, by his admission to [REDACTED], he took indecent liberties with their son. Charges were not filed pending his removal from Scouting as well as seeking professional help. Upon return from college for this summer he has attempted a Scouting association, hence this action.

I hope this will be helpful to you in this matter.

Sincerely,

S. Clark Kendall
Scout Executive

Mr. Paul Koefoot

Dear Mr. Koefoot:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely,

S. Clark Kendall
